

## PRIVATE PRACTICE OPENING

Our independent Des Moines based private practice group is seeking a licensed psychologist. The ability to provide psychological assessment for both adults and children preferred. Participation on insurance panels desired. Office sharing of expenses with accommodations as practice builds. Included is an excellent administrative support staff with extensive experience with collections, scheduling, and insurance billing/reconciliation to include resolving denials and appeals, as well as assistance with start-up practice issues for a new provider. Call 515-222-1175 for additional information.
