Job Description:

Impact Student Well-Being in a Collaborative and Supportive Environment

Are you looking to make a real difference in the lives of university students while working in a dynamic and team-oriented environment? Iowa State University's Student Counseling Services (SCS) is seeking a skilled Psychologist to provide essential mental health services to students. This is a unique opportunity to contribute to the personal and academic success of students through a variety of counseling, crisis intervention, and educational programs.

Why Iowa State University and SCS?

Team-Oriented, Collaborative Environment

At ISU's Student Counseling Services, we value teamwork and collaboration. Our staff works closely together to provide high-quality care for students. You will be part of a dedicated team of professionals, collaborating to offer counseling, crisis support, and outreach programming aimed at improving student well-being.

Engaging and Varied Work

Each day brings new opportunities to support students as they navigate their college experience. From individual and group therapy to managing crises, you'll engage in meaningful work that helps students

overcome challenges and meet their personal and academic goals.

#### Excellent Work-Life Balance and [Benefits](#)

We understand the importance of maintaining balance in life. Iowa State University is committed to creating a workplace where your professional responsibilities are balanced with your personal needs. The university offers a flexible, supportive environment, including access to a fantastic benefits package which includes wellness programs and generous vacation time, allowing you to recharge and maintain your well-being while helping others.

#### Key Responsibilities:

- Provide individual and group therapy within a brief treatment model.
- Conduct intake assessments and make recommendations for appropriate services.
- Deliver crisis intervention and manage urgent student needs.
- Provide presentations and outreach programming on mental health topics for students, staff, and faculty.
- Provide supervision to trainees as able based on licensure requirements.
- Maintain thorough documentation of client interactions and services.
- Take part in crisis coverage as part of a rotating staff schedule.

#### Why You'll Love Living in Ames

Ames, Iowa, offers an outstanding quality of life. Known for its welcoming community, Ames is home to a vibrant blend of cultural, athletic, and social events, thanks in part to Iowa State University. Whether you're attending concerts, art exhibitions, or theater performances, there's always something happening. The city also hosts a wide variety of athletic events, from Cyclone football and basketball games to other university sports that bring the community together. Plus, Ames frequently offers festivals, farmers' markets, and university-sponsored lectures and events, ensuring there's something for everyone.

In addition to the exciting local atmosphere, Ames provides an affordable cost of living and excellent schools, making it a great place to live and thrive. Plus, with Des Moines just 30 minutes away, you'll have easy access to everything a larger city has to offer without sacrificing the charm and convenience of a smaller town.

#### Special Requirements:

Applicants must obtain their full psychologist license in Iowa within 18 months of the start date.

For more information about our services, visit: [Iowa State University Student Counseling Services](#).

#### Level Guidelines

Intermediate-level position with solid professional and/or technical skills working under general supervision to achieve goals

Applies broad, working knowledge of the principles of the field to moderately complex, difficult, and varied problems and issues

Exercises judgment within defined procedures and practices to determine appropriate action and resolve problems

Responds to a broad range of inquiries and requests

May provide training and/or direction to lower-level staff

May lead projects of moderate scope and complexity

Provides guidance to students

This position will be hired at either a Psychologist or Senior psychologist level depending on the candidates' qualifications.

In addition to the duties above, the Senior Psychologist must have a Doctorate Degree from an American

Psychological Association (APA) or Canadian Psychological Association (CPA) accredited program or certified equivalent in counseling or clinical psychology and 1 year of related experience, which may include a doctoral internship. Candidates must be licensed and obtain an Iowa License within six months of the start date. Pay Grade PS810

This position serves at the pleasure of university administration and is exempt from certain P&S policies.
